### 1. PURPOSE:

This Policy establishes a uniform and disciplined framework for leave administration for all employees of Prismix Studios on the Company payroll, including full-time employees, part-time employees, contract employees, and full-time professional consultants, across all locations in India.

The Policy defines the Company's leave provisions, eligibility criteria, and approval process to ensure consistent implementation across the organization. It aims to support employees in maintaining a healthy work-life balance while ensuring uninterrupted business operations and workforce productivity.

### 2. SCOPE:

This Policy applies to all individuals engaged on the direct payroll of Prismix Studios across all locations in India, including the Corporate Office, regional offices, project sites, and any other business locations.

The Policy is applicable to:

- Full-time employees
- Part-time employees
- Fixed-term/Contract employees on the Company's payroll
- Professional Consultants engaged on a full-time basis

The Policy outlines the types of leave available, eligibility criteria, leave accrual, approval process, administration, and the treatment of leave for payroll and statutory purposes throughout the employee lifecycle. This Policy does not apply to individuals engaged through third-party agencies, manpower contractors, vendors, or any other personnel who are not on the direct payroll of Prismix Studios.

### 3. POLICY YEAR

Leave computation will be done based on the financial year, i.e. **1st April to 31st March**. This policy is effective from **1st July 2026**.

### 4. CASUAL LEAVE

Casual Leave may be availed by an employee for casual or general reasons, or for unforeseen situations, but not for long vacations or holidays. Every employee is entitled to **Six (04) Casual Leaves in each calendar year**, proportionate to the period of service during that year. CLs **cannot be carried forward** and will lapse automatically on 31st March each year. They are **non-encashable**. If an employee leaves the organization and has taken more CLs than entitled on a pro-rata basis, the excess leave will be recovered in the full and final settlement.

## 5. SICK LEAVE (SL)

Sick Leave is granted for medical reasons. Every employee is entitled to **Six (06) Sick Leaves in a calendar year**, proportionate to their tenure during that year. If more than two consecutive SLs are taken, the employee must submit medical documents to HR; failing this, the leave will be deducted from PL. SLs are non-cashable but can be carried forward to subsequent years without limit. They cannot be cashed during employment or on separation.

## 6. PRIVILEGED LEAVE (PL)

Every confirmed employee is entitled to **Fifteen (15) days of Privilege Leave (PL) in a calendar year**. Employees on probation are not entitled to PL until confirmation. For up to three consecutive PLs, the leave application must be submitted and approved at least fifteen days in advance. In cases where more than three consecutive PLs are requested, the application must be submitted thirty days in advance and approved by both the Reporting Manager and the Head of Department. Intervening declared holidays and weekly offs will be counted as part of PL. **Unutilized PL can be carried forward to the next calendar year**; however, **the accumulation of PL cannot exceed thirty days at any given time**. Any PL balance in excess of thirty days will lapse automatically, and a maximum of thirty days only will be retained in the PL quota.

PL is not cashable under any circumstances. This policy is designed to ensure that employees plan and take their leaves effectively, thereby maintaining a healthy work-life balance. -

## 7. LEAVE ACCRUAL

For permanent employees, all leaves—PL, CL & SL—would be credited to the employee's leave account at the beginning of each quarter on a pro-rata basis. For employees on probation, only CL and SL would be credited quarterly on a pro-rata basis. PL would be credited only upon successful completion of probation, calculated on a pro-rata basis for the eligible period.

## 8. GENERAL NOTES

**Sick Leave, Casual Leave & Privileged Leave cannot be clubbed.** It is the employee's responsibility to apply for leave in advance (except SL) and have it approved by their reporting authorities via email. Failure to apply for leave will result in the day being treated as absence and will lead to Loss of Pay.

### Intervening Weekly Offs and Holidays

Where employee avails leave immediately before and immediately after a weekly off or a declared holiday, the intervening weekly off(s) and/or holiday(s) shall also be treated as part of the leave period and will be deducted from the employee's eligible leave balance.

**Example:** If an employee is on leave on Saturday and the following Monday, the intervening Sunday (weekly off) will also be counted as leave.

## 9. MATERNITY LEAVE

Female employees are entitled to a maximum of eight weeks of leave before delivery and eighteen weeks after delivery, or the entire twenty-six weeks after delivery. Employees must inform HR in writing of their pregnancy at least three months before proceeding on leave, supported by a medical certificate with the expected date of childbirth. Weekly offs and holidays during this period will be counted as part of the maternity leave. Maternity leave is non-cashable and will be paid as per the payroll cycle.

## 10. PATERNITY LEAVE

Biological fathers are entitled to **five days** of paternity leave for the care of their newborn child and spouse. This leave is non-cashable.

## 11. COMPENSATORY LEAVE

If an employee works on a national holiday, a declared holiday, or a weekly off with the prior approval of their Reporting Manager, they will be eligible for compensatory leave on another working day. Such leave must be availed within **Twenty (20) Days** of the holiday worked; otherwise, it will lapse. To avail this benefit, employees are required to first apply for a Compensatory Off against the day worked. Once the Reporting Manager approves the request, the employee will receive a Compensatory Leave credit in their leave account. The employee may then apply for Compensatory Leave on a chosen working day, which will again require approval from the Reporting Manager. A maximum of 15 compensatory off leaves may be availed in a year

## 12. UNAPPROVED / UNAUTHORIZED ABSENCE

Absence without approval will be treated as Leave Without Pay (LWP). Uninformed or unauthorized absence for six consecutive working days or more will be treated as absconding and will result in automatic termination of employment. In such cases, Company reserves the right to recover the shortfall of notice period from employee's full & final settlement.

## 13. LOSS OF PAY (LOP) / LEAVE WITHOUT PAY (LWOP)

Any unapproved leave will be treated as LOP. During LOP, the employee will not be entitled to pay or allowances. Approved leave without available balance will also be treated as LOP. Company reserves rights to apply LOP as a disciplinary measure if needed, regardless of leave balance.

## 14. HALF-DAY LEAVE

Half-day leave may be availed for either the first four hours or the last four hours of the workday, in accordance with the relevant leave norms.

## **15. PROCEDURE FOR APPLYING LEAVE**

Employees must apply in advance and obtain prior approval for all leaves, except SL. Applications may be made via email. Reporting Authorities have the discretion to approve or reject leave based on professional grounds. It is the sole responsibility of every employee to apply for leave and obtain approval for any absence from work. Any absence that is not applied & approved over email, will be treated as Unauthorised Leave and will result in Loss of Pay (LOP).

## **16. CANCELLATION OF LEAVE**

In extraordinary situations, the Reporting Manager or Department Head may cancel sanctioned leave. If the employee proceeds to take the cancelled leave, the absence will be treated as unauthorized.

## **17. LEAVE SETTLEMENT ON RESIGNATION / TERMINATION**

If an employee has availed more CL or PL than entitled on a pro-rata basis, the excess will be recovered in the full and final settlement. PL, CL and SL are not cashable. Employees who resign may not avail leave before their last working day without the prior approval of the Reporting Manager and HOD. Leave cannot be adjusted against the notice period unless approved by the HOD, Head HR, and CEO.

## **18. Guidelines for Reporting Manager for approving Leaves:**

- Ensure that no more than a set number of team members are approved for leave on the same day to maintain operational coverage.
- Check the Leave Balance proactively and verify the dates of absence to avoid scheduling conflicts.
- Approve leave requests based on business needs and the actual merit of the request, ensuring alignment with company policy.
- Communicate approval or rejection clearly and promptly, giving team members enough time for planning.
- Be consistent and fair, ensuring that all leave approvals are in line with the company's leave policy, regardless of personal preferences.
- Keep a record of each approval over the email for accountability and future reference on leave at a time.
